

Enjoy the Silence

JOTW #445 The Blues & FAWM 50/90

Oren Levine

The musical score is written in 4/4 time with a key signature of two flats (Bb and Eb). It consists of eight staves of music with lyrics underneath. Chord symbols are placed above the notes. The lyrics are: "I know you have some-thing to say I know there's some-thing on your mind I want to hear it But not just yet Give it just a lit-tle time Be-fore you make a sound Take a look a-round Let's en-joy the si-lence for a while You say you don't think it can wait The mes-sage has to come out now I'm not so cer-tain Just take a breath Try to hold it in some-how Be-fore you fol-low through Just take in the view Let's en-joy the si-lence for a while They say the soul of mu-sic is the notes you don't play".
